PROLOGUEHistory of the amulet

INT. CAVE WALL PAINTING

The camera fades in against a stone wall backdrop. It is covered in pictures that look like ancient paintings found on stone walls from ancient times. We get a narration voice over and the camera focuses on different pictures as the voice over talks.

NARRATOR (VO)

Many years ago, when man was still in his infancy, there lived a race of beings of great power and intelligence. The Dragons. The dragons were a powerful race of beings that, for a while, ruled the lands. There were four of them. Regina Glacies the White, Tyrannus Accendo the Red, Praedator Silva the Green and Caius Attono the Blue. All had different breath weapons depending on colour. Regina breathed icy frost, Tyrannus destructive fire, Praedator corrosive acid and Caius spat bolts of lightning. The dragons ruled the Earth for years until one day a warrior known as Amanda Drake was given power enough to defeat

these dragons in combat and  
save her race from  
destruction. She was given  
a special amulet that would  
imprison the dragons souls  
within the amulet,  
preventing their physical  
forms from ever returning  
to create havoc. However,  
the amulet also had another  
special power. Whomsoever  
should wear the amulet would  
be granted dragon like  
powers. They would be  
granted the power of flight  
with dragon wings, be  
granted superhuman strength  
and agility; and their  
breath would become as cold  
as ice, as hot as fire, as  
corrosive as acid and as  
powerful as lightning. The  
amulet does indeed exist,  
but it has been hidden away  
for many years. Until now.....

EXT. OUTSKIRTS OF PANBURY - COUNTRY ROAD - NIGHT

Caption at bottom of screen reads:

## CAPTION

"PANBURY CITY, SOUTH-EAST

ENGLAND, KENT"

It is night time and all seems to be quiet down the long dark road on the country side. It is a very narrow road and seems to only have room for one car at a time, as is the standard for most country roads. This particular road runs alongside the river into Panbury city, which in turn is linked to the water supply of Panbury itself.

Along this dark road, a truck is driving down. It was a huge truck, with a huge compartment at the back. In the back of this truck is a number of huge barrels. The barrels have some kind of logo at the back of them which reads "Crow Industries", who or what that was supposed to mean is anyone's guess. But judging by the huge warning signs on the barrels, it seems that they are carrying something rather nasty inside them. Toxic waste perhaps?

The barrels shake gently as the truck runs across the road. They are very tightly packed together and don't seem to be that securely fastened. Whoever was responsible for tying them down obviously hadn't done a good job of it. If this truck was to swerve over then these barrels could fall out all over the road. And that would be very bad news for someone. The truck drives down the road. All is empty and clear.

Suddenly, something runs into the middle of the road. It is too small to be a person, a rabbit maybe? Either way it spells trouble! The truck swerves in order to avoid the rabbit, a huge skidding noise is made as the truck swerved to avoid hitting the creature. Fortunately, the truck is able to avoid being turned over, but it is a different story at the back of the truck. The barrels at the back fall off the back, the shoddy attempt to keep them tied had come back to haunt the person who did it. The barrels all spill out onto the road. They crash down and go all along the road. It is a complete mess.

The two men that were driving get out the truck. One is a little old, about late fifties, the other man is slightly younger than him. The older man looks at the carnage all over the road, his face splashed with panic. He turns to his younger companion, ready to take his anger out on him.

MAN 1

You idiot! What did you  
think you were doing?

MAN 2

(obviously the guilty party)

I was trying to avoid that  
rabbit!

The older man looks over all the barrels on the road. As far as he can see, none of them have split open. But even so, there was a huge mess on the road!

MAN 1

They're all over the road!  
God! Mr Crow is going to be  
so pissed!

MAN 2

Let's just try and gather  
them up and hope that none  
of them split open or it's  
our heads on the line!

They pick up the barrels, one by one. Checking them all to make sure that none of them have burst open. To their surprise, they are all fine! Not a single one has cracked open. It's obvious that these new tins were made to last! They gather up all the barrels and in a few moments the road is clear again.

MAN 1

That's the last of them! Now,  
let's get going. We are  
already behind enough as it is!

They both secure the barrels as best they can this time around, they wouldn't want to make the same mistake twice. They then get back into the truck and drive off again down the road. They are in such a hurry to get away that they didn't even notice that one barrel has been unaccounted for.

This barrel is right in the river near the road. And unlike the other barrels, this one HAS split open! It is pouring a strange purple liquid into the river, the same river that was linked to Panbury's water supply.

A girl named Flik

EXT. PANBURY COLLEGE - DAY

Full shot of Panbury College. The only college or university in this city. Panbury college is a very large and well kept college. It offers a vast majority of A level, GNVQ, HND and graduate courses for the people that live here. It has it's own gym, art school and car park for students to park there. It has one of the lowest drop out rates of any college, and is said to be in the top twenty for the countries higher education schools.

INT. PANBURY COLLEGE - CORRIDOR - DAY

It was nearing lunchtime at Panbury college and Vicky Thomas, or "Flik" as she was known to her friends, is on her way to the canteen.

Flik is a simple girl, very attractive and keeps herself fit (she attends dance classes and is a green belt in judo). She is studying an English Degree at this college. She enjoys simple pleasures, chocolate, shopping, going out, dancing and Daniel Bedingfield. Those who meet Flik would say she is a very sweet girl and you'd have to be the biggest arsehole on the planet to not get on with her. This is true, she had a smile for everyone. But she does have a very sarcastic sense of humour at times.

As she walks down the corridor, a student runs past her. He bangs right into Flik, knocking over her books and papers that she is carrying. Without even a word of apology, he runs past her.

FLIK

(annoyed) Thank you!

Signing, she leans down to pick up the mess.

VOICE (OS)

Here let me help you with that.

The voice belongs to Dan Steele. He is roughly the same age as Flik, and just as handsome. He seems like a simple kind of guy, wears simple clothes and doesn't seem too much of a fashion freak. Although he is extremely handsome, he has a very shy way with talking to women, which was obvious from the way he speaks to Flik.

Dan helps Flik pick up her books.

FLIK

Thanks.

DAN

Some people, huh?

FLIK

Yeah! Some people!

DAN

Yeah, they just don't have  
any respect for others!

FLIK

You can say that again!

By now the two of them have picked up the books and they both stand up to talk to each other.

FLIK

Thanks..... erm.....

(waiting for his name)

DAN

(obviously shy) Oh. I'm Dan.

FLIK

Thanks, Dan.

DAN

What's your name?

FLIK

Oh, Vicky. My mates call me  
Flik.

DAN

So what should I call you?

FLIK

(giggling) Well I don't  
know, I only just met you.

Flik isn't a tomboy or a man-eater and she is also a little shy when talking to boys. Especially if she fancies them.

FLIK

(continuing) Call me whatever.

DAN

(in a poor attempt to make  
a joke) Ok, whatever!

FLIK

What?

DAN

Sorry, it was a joke, you

(MORE)

DAN (CONT'D)

know, call me whatever?

Pretty stupid joke I know!

FLIK

Oh I see! No that was funny!

They both laugh. There is an uncomfortable silence. It becomes clear this conversation will go nowhere. It was simply a case of who would walk away first.

DAN

Well; I'd better get going  
to my lecture. Don't want  
to be late!

FLIK

Oh yeah, of course!

DAN

Nice to meet you. Flik!  
(making a huge point out of  
her name)

FLIK

Yeah, thanks for the help.

Dan! (doing the same) .

They both laugh.

DAN

Later!

FLIK

Later!

They both go their separate ways, both wondering if they had just passed up a good opportunity that time.

Dan stops by a drinking fountain and takes a sip. He walks away disgusted.

DAN

That water is sick!

He walks away from the drinking tap, which was dripping

some kind of purple liquid.

INT. PANBURY COLLEGE - CANTEEN - DAY

Flik enters the college canteen. It is very busy and Flik looks around to find a place to sit.

KAREN (OS)

Flik!

Flik is called over by her friend Karen, who was already sitting down at a table.

Karen is about two years younger than Flik and she and Flik have been friends since childhood. Karen was almost like a little sister to Flik. They argue a few times, but are very close to each other and always look out for one another. Karen does the same course as Flik does, only she chose it to keep her friend company rather than anything else. Like Flik, Karen is a very nice person, but you really didn't want to push her over the edge. She might be small, and wears glasses, but if you messed with either her or Flik, the other one would jump down your throat.

FLIK

Hey, Karen!

KAREN

How's it going?

FLIK

Not too bad! Had a little speed demon nearly knocked me flying. The usual college morning. What's on the menu today?

KAREN

(displaying her poor choice of food) The usual, chips that are stale and cold, chicken nuggets soggy as mud, sausage rolls that leaves a lot to be desired. You know the usual.

FLIK

Honestly I don't know what  
our student tuition fees are  
paying for these days, I  
really don't!

KAREN

Yeah. Have you made any  
plans for your big birthday  
bash tonight?

FLIK

Oh I don't want too much of  
a fuss.

KAREN

Oh come on, Flik! It's your  
twenty-first! You must do  
something!

FLIK

Oh I don't know. I don't  
want too much of a fuss  
because my mum's coming!

Flik shudders at the mention of her mum, but Karen  
brightens up.

KAREN

Linda's coming?

FLIK

Yeah, you know that she's  
going to cause trouble! A  
few drinks and she's away.

KAREN

You worry too much, it will

(MORE)

KAREN (CONT'D)

be great! Come on, it's not  
everyday you get to  
celebrate your twenty-first!  
It will be fine!

FLIK

(not too convinced) If you  
say so!

A birthday party goes seriously wrong

INT. MERRY WOODMAN - NIGHT

Although Panbury has many smaller pubs, the Merry Woodman is the largest pub in the city. It is a very traditional pub, offering services such as pool, darts, fruit machines and on Sunday it does a Sunday roast for those who wish to try it out. It also holds band nights, Karaoke evenings and has a huge wide screen TV to show football and news channels. It is run by on Irene Philips, a very kind landlady who is good to her staff. She is very easy going and even lets in some underage drinkers, as long as they are accompanied by an adult and don't drink alcohol. Flik and her friends spend most of their evenings here and Irene is very friendly with Flik and her friends. And it is here that Flik is spending what will be the strangest birthday of her life!

The pub is very busy tonight, what with it being the weekend, and on a table, a group of people were having a little party. These people were Flik, Karen and Flik's mum, Linda.

Linda is in her late forties, yet dresses up to make herself look younger. In stark contrast to her daughter, Linda is a real party animal. One sip of alcohol and she was away, no stopping her! She has been drinking heavily for most of the night, even though they were only an hour into the party! It's true that many mums know how to embarrass their children, but Linda was a gold medallist when it came to that!

LINDA

(starting to slur her words)

I tell you, Karen. My girl  
Vicky here has always been  
a bit shy when it comes to  
blokes!

FLIK

(trying to shut her mum up,  
but it's totally useless) Mum!

LINDA

Oh be quiet when your  
mother's talking, love!  
Anyway I remember the one

(MORE)

LINDA (CONT'D)

time we went out down Jive  
Bunny for her twentieth...

FLIK

Mum, you're embarrassing me!

LINDA

No I'm not, dear. (totally  
oblivious to Flik's  
embarrassment) Anyway, we  
were down Jive Bunny like I  
said. And she was looking  
over these two blokes, real  
strapping young lads, like.  
Sort of like David Beckham  
but with neater looking hair!

Flik buries her head in her hands to hide her face. This  
is NOT the way she wanted to spend her 21st.

LINDA

So anyway, she's too  
embarrassed to go and talk  
to them, bless her, but is  
obvious that she likes them.  
So, I decided to go over and  
ask them out on her behalf.

FLIK

(about to explode) MUM!!!!

LINDA

So I went over to them, as  
you do, but the funny thing  
is that instead of my

(MORE)

LINDA (CONT'D)

daughter, they both fancied  
me and they asked me to dance!

Karen and Linda laugh at the joke. But Flik had had more than enough.

LINDA

(continuing) I tell you  
I've still got it!

FLIK

Mum that's enough!

She does love her mum with all her heart, but even so that is no excuse for her to embarrass her on her birthday.

LINDA

(trying to calm her daughter  
down) Oh come on, love,  
calm down!

KAREN

Yeah come on! It's supposed  
to be your birthday party!  
Chill out!

FLIK

Don't encourage her!"

LINDA

Oooooohhhh! She's moody  
today! (finally sees how  
annoyed Flik has become) Oh  
I'm sorry love. Here, what's  
say we give her our presents?

KAREN

Yeah!

Karen gives Flik a huge, gift-wrapped box.

KAREN

Here you go, Flik. It's a new leather suit. They were selling down Sex Kitten for a reduced price. I thought you might like it!

FLIK

Leather suit? I don't wear leather!

KAREN

Well, thought you might like it!

FLIK

Thanks. I'll open it later.

Flik dumps the box underneath her table.

LINDA

Here's mine! Happy birthday, love!

Linda gives Flik a medium sized box.

LINDA

(continuing) Go on, open it now! Linda told Flik.

Flik is a little suspicious of this present, after all it was from her mother, but she opens it anyway. Inside the box is a pair of lingerie. They are so revealing that they aren't so much underwear as they were pieces of string!

FLIK

(horrified) What the hell is this?

LINDA

Brought it from that new Ann

(MORE)

LINDA (CONT'D)

Summers shop that has just opened! Thought you might want to spice up your life a little bit!

FLIK

Mum, I can't wear this!

LINDA

Why not? They are just right for you!

FLIK

Mum, when I wear underwear I like to keep my bits warm! Geez, why didn't you just give me a T-Shirt that says 'I'm easy!'?

LINDA

(now getting a little annoyed with Flik's behaviour) You need to loosen up, girl! It's your birthday! Go pull some blokes or something!

An old man in his late fifties walks into the pub. He looked around as if he was looking for someone.

LINDA

(continuing) George, over here!

The old man (who we guess is George) goes over to join his daughter and wife.

GEORGE

Hi, everyone! Sorry I'm late!

FLIK

Dad! (happy)

GEORGE

Happy birthday, love!

George gives his daughter a kiss, then he kisses his wife.

GEORGE

How's Linda doing? Behaving  
herself, is she?

FLIK

She's been embarrassing me  
all night!

GEORGE

Has she? Now, Linda you  
should know better!

LINDA

I am not embarrassing her!  
She's just uptight!

GEORGE

Happy birthday, Vicky.

He gives Flik her present. It is a strange looking amulet in the shape of what seemed to be four dragons linked together. As soon as she sees it, Flik loves it. At least it was the most reasonable present she had been given all night.

GEORGE

Sorry I didn't wrap it.  
Didn't have time!

FLIK

Oh, daddy! It's beautiful!

GEORGE

Brought it from this shop  
down Camden Market. I

(MORE)

GEORGE (CONT'D)

thought you might like it!  
Cost a few bob, but my  
little girl is worth it. Try  
it on.

She puts the amulet on around her neck.

FLIK

It's so light! Oh, thank you  
dad!

GEORGE

The guy at the shop who sold  
it to me told me that that's  
the only one in existence.  
Supposed to have some weird  
powers or something like  
that. All cobblers of course  
but I thought you might like  
it!

FLIK

I love it!

LINDA

(butting in) Yeah, but it's  
not going to pull the blokes  
like our presents can! Then  
again, with the way it's  
hanging down it could  
attract blokes right to your  
cleavage! (bursts out in a  
drunken laughter)

FLIK

Shut up, mum!

By now she is extremely angry with her mothers constant intervention.

KAREN

Calm down, Flik. Don't get angry! She doesn't mean it!

FLIK

I'm going to get a drink!

She storms over to the bar, embarrassed and annoyed. The bar seems to be quite busy with a lot of people waiting to get served.

FLIK

Good. This rate I'll be waiting a long time before I have to go back.

Dan comes up beside her.

DAN

Hi!

FLIK

(genuinely pleased to see him) Oh, hi!

DAN

You remember you dropped your books.....

FLIK

Yeah, Dan?"

DAN

Yeah, Flik isn't it? Or is it Vicky?

They both laugh.

FLIK

So what you doing down here?

DAN

Oh, just a quiet drink with myself. Had a busy day. What about you?

FLIK

(not sounding like she is enjoying herself) My birthday party.

DAN

Oh cool, happy birthday.

FLIK

Thanks

DAN

Having fun?

FLIK

Not really. My mum's over on there making a complete spectacle of herself at my expense!

DAN

Mothers are usually there to embarrass their children.

FLIK

Not the way my mum does!

A barman finally comes over to them. He is looking a little stressed, because of the hard work and amount of people that needed serving this night.

BARMAN

Who's next?

DAN

What do you want? I'll buy it for you.

FLIK

"That's ok. You don't have to.

DAN

No, please. I insist

FLIK

You sure?

DAN

Yeah.

FLIK

I'll just have a white wine  
spritzer, please. (That is  
Flik's favourite drink)

DAN

And I'll have a pint of  
larger, please.

Linda's huge laugh can be heard from far back. Flik  
cringed at the sound of it.

FLIK

Take your time! No rush!

The barman goes to fix the drinks. Flik and Dan stand  
nearby each other. There is another uneasy silence, just  
like there was earlier. Finally, Flik speaks up.

FLIK

Say, um. Do you want to come  
over to our table?

DAN

Oh no I don't want to be any  
trouble.

FLIK

It's no trouble at all.

DAN

I'd just be intruding.

FLIK

You wouldn't. Please I want  
you to. For buying me that  
drink?"

It was probably against Flik's best judgment to invite another person over to their table. But hopefully Linda would calm down if Flik had some company with her. Then again.

Cut back to Linda.

LINDA

Just what is wrong with  
Vicky today? She seems in a  
bit of a mood today.

KAREN

Who knows? It's Flik after all!

GEORGE

It's always the same! You  
just embarrass her every time!

LINDA

I do not!

Flik returns to the table, with Dan. As soon as Linda sees Dan she jumps straight in.

LINDA

Oh you're back, daring! And  
who's this handsome lad  
you've brought with you?

FLIK

(beginning to wonder if  
bringing Dan over to this  
table was a big mistake) Um.  
Mum, Karen, Dad this is Dan.  
Dan, Mum, Dad and Karen.

LINDA

Hello, love

KAREN

Hi.

GEORGE

Alright there, mate.

DAN

Nice to meet you.

Dan is nervous about meeting all these new people, but tries not to show it.

LINDA

So you in Flik's class or something?

DAN

What? Oh no we are just in the same college. We just met each other early today. She dropped her books and I just helped her pick them up.

LINDA

The old dropping the books trick, eh, Vicky? I used that one in my time.

FLIK

Mum!

DAN

(embarrassed) Oh no. Someone knocked her over and she dropped her books I just helped her pick them up.

LINDA

A true gentlemen! There is  
not enough of them left  
around much anymore.

DAN

Yeah...

KAREN

So what course are you doing  
at college?

DAN

Oh I'm a music student.  
Doing a BA Degree in music  
production, you know...sound  
engineering....that kind of  
thing.

GEORGE

Are you a musician?

DAN

I play guitar. A little.....

KAREN

Never knew the college did  
BA courses.

DAN

Oh, it's just been  
introduced this year. It's  
kind of a top up from my HND.  
I graduate in February.

LINDA

Graduate? You mean gowns and  
things?

DAN

Yeah

LINDA

(patronising) Aww! How cute!  
I can just imagine you in a  
gown and hat!

FLIK

(under her breath) Let's  
just pray you don't imagine  
anything underneath the gown  
and hat!

LINDA

You sound like a nice bloke.  
You've done well for  
yourself there, my girl.

GEORGE

What's say we all go and get  
another drink? I'm sure Dan  
and Flik would like to be  
alone. Karen would you give  
us a hand?

All three of them get up to leave.

LINDA

Flik dear. Don't forget to  
show him your sexy new  
underwear! No point putting  
it on really, you'll only  
get it off just as quick!

They all leave. Flik's face is so bright red that anyone  
would think she was about to pass out.

FLIK

Oh my god! I'm so  
embarrassed! Dan, I am so  
sorry about my mother. Once  
she gets on the drinks she  
can't stop herself!

DAN

Its ok, really!

FLIK

You're such a sweet guy.  
Most blokes would have just  
walked away by now. They  
couldn't stand my mother.

DAN

Its ok..I've..met worst.

He starts to cough.

FLIK

You ok?

DAN

Yeah..haven't been..too well  
lately...bit of..a bug....I...

His coughing gets worst. Suddenly he starts choking.

FLIK

Dan? You ok? Dan?.

Dan falls to the ground, shaking.

FLIK

(continuing) Oh my god!  
He's having a seizure!  
Somebody help!

Pandemonium takes over as two barmen rushed over to aid  
Dan. Flik screams for help and it is at least a few  
minutes before anyone calls an ambulance.

EXT. PANBURY CITY - MERRY WOODMAN - NIGHT

Dan is being helped into an ambulance via the use of a stretcher. A medical officer is talking to Flik who is outside the pub.

MEDIC

Was there any reason you  
think he might have had this  
seizure?

FLIK

No, we were just talking and  
he suddenly started shaking.

MEDIC

Do you know if he was  
drinking or not?

FLIK

Well he had one drink with  
me, but I don't think he was  
drunk or anything.

MEDIC

Ok. Well, thanks for your time.

FLIK

Will he be ok?

MEDIC

Well I'm not sure, we've had  
a few of these seizures over  
the past few days. Seems  
like a virus going round or  
something. Have to wait and  
see. If anything happens,  
we'll call you.

FLIK

Ok.

The medic officer jumps into the back of the ambulance and closes the door behind him. The ambulance drives off. Flik watches the ambulance as it drives away. She feels really gutted. For a brief second there, it seemed like she was getting on really well with Dan, then this happened. Story of her life! Flik continues to watch the ambulance drive away, she doesn't even notice her mum appear behind her shoulder.

LINDA

Shame! He was so handsome  
and all. You could have been  
in there my girl.

FLIK

(the final straw)  
Mum.....why don't you just  
get lost!

She walks away, in a foul mood. This has NOT been a good birthday!

INT. AMBULANCE

The Medic is on the radio, back at hospital. Dan is stationary for the moment in the stretcher.

MEDIC

(on the radio) We are on our way back to the hospital now. We have a young man in his early twenties, look's like another seizure victim. We need immediate assistance outside the hospital as soon as we arrive.

Dan groans very badly. His groaning gets worst.

MEDIC

(continuing) Will get back to you, have a situation here! Be there in five minutes. (hangs up the radio) You'll be alright, mate. Just calm down.

Dan starts to shake violently.

MEDIC

(continuing) He's going berserk here!

Dan shakes get worst and worst. The medic officer tries everything to calm him down, but nothing works. Dan shakes and gargles like a mad man and managed to break free of the straps that were holding him down on the stretcher.

EXT. ROAD - NIGHT

On the road, the ambulance is driving down the empty road. Suddenly, it is flipped into the air by some unknown force. It crashes down by the side of the road with a massive thud! Everything is silent for a few moments. It seemed that no-one survived that crash.

Suddenly, the doors blow open and out steps Dan. He is looking a little bruised, but seemed to be ok apart from that. He looks all around him, totally confused and scared, then he starts to limp down the road.

He walks down the road in a state of total confusion, maybe sue to the result of a concussion that he might have sustained from the crash. He doesn't even notice the car coming down the road towards him. The cars horn sounded and the car flashes it's lights. Terrified, Dan swings his land into the air. The car is flung really high in the air and then crash lands down on the ground in a ball of fire! Dan is shocked by what has happened.

He looks at his hands, with a state of total confusion on his face. Did he do that? What had happened to him? How could he do something like that? It didn't make sense! It was like he had been granted some strange power for reasons that he didn't understand! His look of horror slowly changes into a small smile. He began to giggle, slowly building up into a laugh and then finally, he bursts into a completely hysterical laughter.

END OF ACT I

ACT II

The power of the amulet is discovered

INT. PANBURY COLLEGE - CANTEEN - DAY

The next day.

Flik and Karen are sitting in the college canteen, both with a cup of tea and a plate of chips. Flik is wearing the dragon amulet around her neck.

KAREN

Last night was weird!

FLIK

You're telling me. I've had some pretty bad birthdays in the past but last night was just.....strange.

KAREN

You were getting on really well with him as well

FLIK

(trying not to give too much away) Yeah, maybe.

She drinks a sip of her tea, nearly burning her lip.

FLIK

Ouch! It's too hot!

She blows on her tea to cool it down. To her amazement, the tea turns into ice! She can't believe it. She taps on the ice. Frozen solid!

FLIK

(continuing. confused) What the hell? It's frozen solid!

KAREN

How did you do that?

FLIK

I didn't do anything! I just  
blew on it and it froze!

KAREN

I've heard of minty fresh  
breath but that's just weird!

FLIK

Yeah. (She begins to eat  
her chips) God, these are  
stone cold! What are we  
paying our student fees for?"

She take a sachet and sprinkles what she thinks is salt  
over her chips.

KAREN

Flik, that's pepper!

FLIK

Oh god! I hate pepper!

Pepper makes Flik sneeze and this is the effect it has on  
her now. She lets out a massive sneeze all over her chips,  
which were soon engulfed in flame! The two girls back away  
as they see the chips burn. Luckily the fire was only a  
small one and it soon went out without spreading. Still,  
how the hell were they set on fire in the first place?

FLIK

(continuing) Ok, this is  
getting extremely weird!

KAREN

What have you been eating  
today?

FLIK

I'm not doing anything!

KAREN

Well you're doing something!

(MORE)

KAREN (CONT'D)

Those chips didn't just  
explode on their own!

Flik and Karen both look at the amulet.

KAREN

(continuing) You don't  
think....

FLIK

My dad did mention something  
about this amulet having  
strange powers

KAREN

Yeah, but he also said that  
was a load of old cobblers  
if you remember.

FLIK

What if it isn't?

KAREN

You've been reading too many  
comic books, Flik!

FLIK

I think we need to take a walk!

They both walk out of the canteen to head down the park.

EXT. TUB-TUB PARK - DAY

Tub Tub Park was named after the owner of the parks pet dog. This is a huge park directly in the town centre. It has a nearby lake, children's play area and nearby toilets. Many adults feel safe taking their children out for walks there and it has a pleasant atmosphere for any who wish to walk there.

Flik and Karen are taking a gentle walk down the park. It is a fairly bright and sunny day and no-one else is around.

KAREN

So you reckon that amulet  
was the reason for all those  
weird things that went on?

FLIK

My dad told me the whole  
story last night about this  
amulet. Turns out there was  
some warrior called Amanda  
Drake who fought against  
these four dragons and  
imprisoned their souls in  
this very amulet.

KAREN

Sounds like something out  
of a Japanese anime story!

FLIK

Well, if it is true then I  
could be holding a powerful  
weapon around my neck.  
Better be careful what I do  
with it!

KAREN

Just don't blow any balloons  
up or anything like that!

They both laugh. Suddenly they hear a noise that sounds like someone's in trouble.

Not more than a few feet away, a college girl of about 17 is being bullied by a bunch of three chav girls. These girls are much larger than her and they are taking it in turns to beat up the poor girl and push her around.

The leader of the girl bullies, a very large and tough looking girl of maybe 18 or so, orders the other two to hold up the girl she is bullying.

CHAV GIRL

Still feel like seeing my  
boyfriend?

BULLIED GIRL

I never went anyway near him!

CHAV GIRL

Oh yeah? Well Shaznee her,  
(addressing one of the other  
bullies) Said that she saw  
you with him by the back of  
the bike shed!

BULLIED GIRL

We were just talking!

CHAV GIRL

You think I was born  
yesterday, girl? Let me tell  
you something, NO ONE goes  
any near my boyfriend! Least  
of all a scrappy little  
minger like you!

Flik sees this girl in trouble and runs over to her aid.

FLIK

Hey! What's going on here?

The chav girl is not a least bit intimidated by Flik.

CHAV GIRL

This ain't nothing to do  
with you! Walk on!

FLIK

Hey, come on! Leave the poor  
girl alone!

CHAV GIRL

Piss off, or I'll give you  
a slap as well!

FLIK

Hey! Come on, we can work  
this out.....

The chav girl gave Flik fair warning, but she chose to ignore it. She pushes Flik to the ground.

FLIK

(continuing) Hey, come on!

CHAV GIRL

I warned you, you didn't  
listen. Now I gotta do what  
I gotta do!

FLIK

Can't we talk about this?

The chav girl jumps to attack Flik. In the blink of an eye, two huge bat like wings shoot out from Dragonia's back. They look almost like, Dragon wings! Before anyone can work out what is happening, Flik flies right up in the sky. She starts flying around the sky, like a bird. The wings have obviously given her these wings and she can now fly!

She lands on the ground and the wings disappear. Everyone, even Flik, is totally awestruck! A beat.

CHAV GIRL

How the 'ell did you do that?

FLIK

You're asking me?

CHAV GIRL

You trying to be funny or  
somethin'?

FLIK

Trust me. If I was being  
funny, you'd be in stitches!

CHAV GIRL

You're dead!

She tries to punch Flik. Flik swings back and avoids the punch by doing a series of back flips. It seems she also has superb agility!

FLIK

(shocked) Woh!

By now, the chav girl is getting very annoyed! She charges at Flik and tries to hit her again. This time, Flik decides to fight back. She hits the chav girl as she comes into range. The chav girl flies back a huge distance as Flik hits her and she crashes right into a tree! This amulet has given Flik one other thing. Superhuman strength!

Flik is obviously shock that this happened, but then she notices that the other two chav girls are both looking scared. She has a chance to save the girl they were bulling.

She stands upright, looking ready for more action!

FLIK

(continuing) Who's next?

After seeing what Flik did to their leader, the chav girls are of course, not at all interested in getting hurt themselves! They drop the girl and run away as fast as they can!

Flik's attentions turn to the bullied girl, who needs help. She walks over to her.

FLIK

(continuing) You ok?

BULLIED GIRL

Yeah, I think so.

The bullied girl is a little afraid of what Flik did just a minute ago. But she is genuinely glad that she was saved.

FLIK

I doubt you'll get any more  
trouble from them anymore.

BULLIED GIRL

(smiling) Thank you!

FLIK

You're welcome.

The bullied girl picks up her thing and runs along. She passes by the unconscious body of the chav girl leader and, seeing she is unconscious, sticks her tongue out at her as a way of saying "serves you right!" then she is gone.

Karen rushes over to Flik, she is in total shock!

KAREN

Flik! That was amazing! How  
did you do that?

They both look at the amulet for a beat.

FLIK

Still think dad was telling  
a load of cobblers?

Flik has an idea.

FLIK

(continuing) Karen, I've  
just had a mad idea!

Dragonia is born!

INT. FLIK'S HOUSE - BEDROOM

Flik's bedroom is a pretty ordinary little room. It has a chest of draws, where she keeps her underwear and trousers, a cupboard for her shirts, T-shirts and formal wear, a little desk with a computer which she uses for study, a makeup table with a huge mirror, a CD player with a stack of CD's of R'N'B, Pop and Hip Hop artists and a double bed. Her room also is plastered with posters of Daniel Bedingfield, Rohan Keating and Girls Aloud.

KAREN

You a super hero?

FLIK

(excited) Of course! Don't you see. This is just like in the comics. Ordinary people that have a extraordinary thing to happen to them, then they get super powers! That same thing has happened to me. I've been given powers of the dragon.

Flik is well read up on her comics. She is like a little child, excited like her childhood dreams are about to come true. Karen, on the other hand, is far less enthusiastic.

KAREN

I don't believe I'm hearing this!

FLIK

Its obvious what I have to do. Become a super heroine! This is great! I could use my powers to fight the

(MORE)

FLIK (CONT'D)

villains and save the day!  
Excellent! This has turned  
out to be the best birthday  
present ever!

KAREN

What do you know about being  
a super hero? You've never  
been in a fight in your life!

FLIK

I'm a green belt in judo! I  
can handle myself! Plus you  
saw the way I took out that  
girl in the park and saved  
that little girl they were  
beating up! It all fits!

KAREN

You're not serious are you?

FLIK

Why not? It's not as if  
anything exciting ever  
happens to me! I could do  
with an adventure! Besides,  
America gets all the super  
heroes, I think its time  
England got its own super  
heroine.

KAREN

Yeah, but all American super  
heroes don't go around  
dressed as students!

FLIK

That's a point actually. How  
am I supposed for anyone to  
take me seriously if I don't  
look the part? I need a  
costume, and fast.

She remembers Karen's present.

FLIK

(continuing) You know, I  
might have found a use for  
your birthday present after  
all! I haven't opened it yet!

She goes over to her bed and takes out Karen's present  
from underneath her bed, still in it's box. She opens it up.

Inside the box is a black leather suit, which consists of  
a sleeveless top (with a rather low cut part for maximum  
cleavage action), a tight pair of trousers and a pair of  
black leather high-heeled boots. Conveniently, the suit  
also has patterned designs sown into the leather; they  
look like Japanese dragons. Also, for some reason, there  
is also a half mask with the suit. It was black, with what  
seemed to be more dragon type designs sown into it. It  
seems the perfect fit for Flik.

FLIK

(continuing) I think this  
will do nicely!

INT. FLIK'S HOUSE - BEDROOM - LATER

Flik is looking at herself in the mirror. She is wearing the leather suit now and it seemed to just about fit on her, if not rather tightly. It was almost like a second skin to her. Flik actually rather likes the suit, it showed the natural curviness of her body. It does make her look incredibly sexy! Even Wonder Woman and She-Ra would pale in comparison to the way she looks!

FLIK

(continuing) Do you think  
this suit makes my breasts  
look too close together?

KAREN

Maybe a little!

FLIK

Good! Just what I need! I've  
got to give that sex appeal  
to all the guys! I need to  
look sexy, but tough! Also  
hard to get! With a bra or  
without?

KAREN

Does it matter?

FLIK

What did I just say? I have  
to look sexy!

KAREN

I thought you weren't  
interested in looking sexy?

FLIK

Things can change! Mmmmm.  
Think I'll go without a bra,  
wouldn't want my bra straps  
getting in the way.

She removes her bra from underneath her suit and chucks it to one side. She then puts on her half mask.

FLIK

(continuing) Looks good.

But something's still  
missing from this whole  
picture.

She removes her hair grips to let her long hair fall down straight. That's it! Now she looks sexy! If any man were to see this then they might have an erection on the spot!

FLIK

(continuing) Perfect! Now  
if only there was a way that  
I could switch between this  
costume and my normal clothes.

As if by magic, there is a magical flash and Flik is standing there in her normal clothes, just as she was before she put the suit on, even though her clothes were strung all over the floor. Then there is another flash and she is standing back in her leather suit.

FLIK

(continuing) This amulet  
rocks! Ok. Now all I need  
is a name! Lets see it's got  
to be dragon  
based.....mmmmm....how about  
Dragon Lady?

KAREN

Too corny!

FLIK

Ummmm.....Dragon Woman?

KAREN

Rip off!

FLIK

I don't know! Help me out  
here! God, working out a  
name is always the hardest  
thing to do!

Flik tries to think of a name, but she seems to struggle.  
Karen catches a glimpse of the box that the suit was  
packaged in.

KAREN

Hey! According to this box  
these clothes were made by  
"Dragonica Design!" Pretty  
cool huh?

KAREN

Flik stops. That was it, you couldn't get a more perfect  
name than that! Without even trying, Karen has given Flik  
her alter ego, the one she would use to fight crime and  
punish the bad guys!

FLIK

Dragonica.....that's it! It's  
perfect!

KAREN

What is?

Flik takes a heroic stance, a true super hero pose. She  
hams it up for all that it was worth.

FLIK

"From this day forward, I  
shall be known as DRAGONIA!  
Fighter of crime! Keeper of  
Justice! Warrior of Panbury!

KAREN

You might want to fix that  
huge hole on your leg first.

FLIK

What? (looking down) Oh  
bugger! I just put this on!

Karen giggled as Flik struggled with her costume.

FLIK

(continuing) Hang on, what  
time is it? (she looks at  
her watch and then panics)  
Shoot! Our lesson started  
ten minutes ago! We gotta  
get going to class!

Flik transforms back into her normal clothes and her and  
Karen rush to get to college.

Dragonias first missions

EXT. PANBURY CITY - HIGH STREET - AFTERNOON

Flik and Karen run down the high street of Panbury to get to college. They both look out of breath.

FLIK

Davis is going to kill us!

KAREN

He hates it when students  
are late for class!

They hear an alarm from around the corner. They run in the direction of the alarm. It is coming from a clothes shop in the high street. Turning a corner, they see that a huge van has ram raided its back end into the front of the shop and a group of about three men, wearing balaclavas, are loading stuff into the back of the van. They are all armed with guns, which is a rarity in Panbury, given its low crime rate, but even so they are still armed and no one is brave enough to tackle them single handedly.

KAREN

(continuing) Looks like a  
ram raid!

FLIK

And not a policeman in sight.  
I think it's time Dragonia  
made her presence felt.

She runs off, leaving Karen to watch the entire scene.

By now, the four men have loaded up the van and they pile into the drivers seat, ready to escape.

ROBBER LEADER

Good job, lads! Let's get  
out of here!

The leader turns on the engine, he revs the engine to go. He presses down on the accelerator to speed away. they move a about a few inches away from the shop when they suddenly stop dead! The driver tries to floor the pedal, the car doesn't move an inch!

ROBBER 2

What's going on?

ROBBER 3

Let's go!

ROBBER LEADER

I'm flooring it! But it  
isn't moving!

The second robbers sees something out of his back mirror. To his shock, something is lifting up the back of the truck. Preventing it from moving!

ROBBER 2

(amazed) Guys! You aren't  
going to believe this!

At the back of the robbers van, is the sexist and strangest looking woman ever seen since She-Ra. She is wearing a very tight leather suit, with a very low cut top, and a half mask. The suit and mask had dragon designs woven into it. Also, for no reason that anyone can see, she has a pair of huge wings sticking out from her back. Dragon wings! This woman standing behind them is the new hero in town. Her name is Dragonia, and she was ready to stop the villains from escaping!

Right now, with enormous super human strength, Dragonia is holding up the back of the truck, right off the ground. This truck weights at least a few tons, but Dragonia is holding it up like it is the more easiest thing in the world!

DRAGONIA

Wow! This is great!

The robbers turn off their engine and get out to investigate. They see Dragonia holding up the back of the van and they cannot believe their eyes!

Dragonia looks at the robbers, drops the back of the van and turns round to face them, arms folded.

DRAGONIA

You boys aren't going to  
leave without paying for all  
that stuff, are you?

Dragonia/Flik knows exactly how be a hero as she has read enough comics. She knows that to be a true hero, you had to look sexy, tough and have a wicked sense of humour. She has these three things down to a tee!

ROBBER 2

Who is she?

ROBBER 3

I dunno, but she's well fit!

ROBBER LEADER

Who the hell are you?

DRAGONIA

(overdoing it) I'm then new hero; and I've come to stop you villains from your crime wave. Just return the items you stole and I'll let you go.

A beat. The robbers break out laughing.

DRAGONIA

(continuing) What's so funny?

ROBBER LEADER

Did you listen to her?

ROBBER 3

(imitating her voice) "I'm here to stop you villains from your crime wave!"

They all laugh. Dragonia is a little hurt.

DRAGONIA

Well I thought it was pretty good!

ROBBER LEADER

Listen, love! Just move along and we might just let you walk out of her unhurt!

DRAGONIA

And what if I said no?

Dragonia regains herself. She is here to do a job.

ROBBER LEADER

She's really boring me now?

Shall we just shoot her?

ROBBER 2

Yeah.

ROBBER 3

Go on then!

They all draw out their guns and aim them at Dragonia. Dragonia simply breathes in and then exhales gently. A cloud of acid escaped from her lips and melted the guns that the robbers are carrying.

DRAGONIA

(continuing) Tut, tut.

Naughty boys! Mummy's going  
to have to give you a smacky  
botty if you don't behave!

The robbers are all shocked, but their leader brings them to.

ROBBER LEADER

Don't just stand there! Get  
her!

They all rush at her, but Dragonia is able to take them all out. Using her super strength and her judo skills, she beats them all up and bundles them into a huge pile.

DRAGONIA

Well, love to stay and chat,  
but I gotta get going. Until  
the police arrive, chill out!

She blows a kiss at the robbers and they are frozen in a huge block of ice.

DRAGONIA

(continuing) And if anyone  
should ask, say Dragonia  
said hi!

She runs away to rejoin Karen, leaving the criminals frozen solid. Making sure that no-one except Karen was watching, she transforms back into Flik. She is brimming with energy and is higher than she has ever been before in her life!

FLIK

Wow! Did you see that, Karen?

That was great! I've never  
felt so great in my life!

KAREN

Yeah, come on! Let's get going!

Karen drags Flik away while she boasts about her last combat. Even though she may have saved the day, Flik and Karen still had a class to get to.

EXT. PANBURY COLLEGE - FRONT ENTRANCE - AFTERNOON

Flik and Karen have finally arrived at college. They are now at least 25 minutes late and are definitely in for it when they got to their lesson.

They notice that some thing was wrong. A huge group of students seem to be gathered outside the college. There was no alarm sounding, so it couldn't have been a drill. Something was up here.

Flik runs up to a nearby student, looking frightened out of his wits!

FLIK

What's happening?

FRIGHTENED STUDENT

There's a girl in the  
library that's gone mad!  
She's holding the students  
upstairs hostage. She's just  
gone mental!

He runs off. Looks like Flik is going to have to work overtime.

FLIK

Two missions in one day? A  
super heroes work is never  
done!

She runs into the front entrance, leaving Karen behind. Many people want to get out of college, Flik was the only one trying to get IN. Karen watched Flik run into the college.

At that point she is greeted by Dusty. The loveably Jamaican security guard that was always chilled out and laid back, despite the fact that there was unrest in the college at the moment.

DUSTY

Hi there, Karen. What's  
going on here?

KAREN

Dunno, Dusty. Just got her  
myself and I heard some  
student is going mental in  
the library.

DUSTY

A student going mental? Must  
be from the Performance Art  
block. They are all mental  
up there. My, my my!

## INT. PANBURY COLLEGE - LIBRARY

In the middle of the computer room of the library in the college, there was chaos. The evil super villain known as Download was shooting out bolts of white hot electricity across the library.

Download is a young female, she used to be a student at this very college. She is a bit of a nerdy looking girl, with a science lab coat and wearing goggles. Recently, she has acquired a unique ability, to absorb information from computers. This gives her super intelligence and electricity power.

Right now she is absorbing all the information from all the nearby computers in the room, vastly increasing her intelligence more and more. In the very same library a whole load of students were trapped. They were cowering under tables and chairs, trapped by this mad woman and afraid to move in case this mad woman did something nasty to them all.

## DOWNLOAD

Yes! Ha, ha, ha! All for me,  
all for Download! Knowledge  
is power and power is mine!"

The Liberian, a woman in her late forties, creeps out from underneath her hiding place.

## LIBERIAN

(terrified) What are you  
going to do, Sarah? she  
asked in a terrified tone.

## DOWNLOAD

There is no Sarah! I am  
Download, absorber of  
computer energies! I will  
suck all the power from  
these computers making me  
the most powerful of all  
students. You all mocked me  
for my brains, but now look

(MORE)

DOWNLOAD (CONT'D)

at me! Watch as my power  
grows and destroys you all!

All the students cower in their hiding places. Download continues to absorb. It seemed like nothing would stop this mad woman!

DRAGONIA (OS)

Don't you know you are  
supposed to be quiet in a  
library?

Download turns to the direction of the voice. Dragonia has just entered the library. As soon as she arrives, she makes her presence feel. All the students look out from their hiding places to get a look at her. They are all just as shocked as Download was at this strange woman who has just walked in. A few blokes in the library made some wolf whistles at Dragonia.

A guy and his girlfriend take particular interest in this strange woman.

GIRL

Who's that?

GUY

I dunno. But she is quality!

His girlfriend hits him.

GUY

What?

DRAGONIA (VO)

Ok. The hero enters, ready  
for action! I've made my  
impression, hopefully on the  
lads in here. Now to say  
some heroic catch phrase.

DRAGONIA

(continuing) You ready to  
get your face slapped about?

DRAGONIA (VO)

(continuing) Oh boy that stinks! I'll have to work on that one!

DOWNLOAD

Who are you?

DRAGONIA

(heroically) The name's Dragonia! I'm the new hero in town. Heard there was trouble in the area so I'm here to save the day!

DOWNLOAD

That's a Mighty Mouse quote!

DRAGONIA

(slightly put off) Yeah. Whatever! (trying to recompose herself) Anyway, what do you think you are doing here?

DOWNLOAD

I am Download! The most powerful and intelligent of all the college students! I am absorbing the power of all the computers in this room to enhance my power!

DRAGONIA

Now, now! Don't you know downloading for free is a crime?

DOWNLOAD

Insolent dog! Feel my wrath!

She blasts Dragonia with a lightning bolt from her head, which sends her flying. Not expecting that attack, Dragonia tries to keep her pride intact.

DRAGONIA

Ok! Time out! Let's start over shall we? Tell you what, I'll enter again and we can do the whole insult bit. Then you can start blasting with your energy bolts or whatever."

Download is not prepared to listen. She fires another bolt at Dragonia, which only just misses her.

DRAGONIA

(continuing) Hey! Watch the suit, it was a birthday present!

Download fired another bolt, but this time Dragonia was ready. She blow a cloud of ice, which creates an ice shield to take the blast.

DOWNLOAD

What manner of trickery is this?

DRAGONIA

No trick! I have all the power of the dragons of ancient times! I suggest that you give up now or face defeat.

If Dragonia was trying to scare off Download, it didn't work. She fires another lightning bolt at her.

DRAGONIA

(continuing) Come on! That  
was my most heroic speech  
so far! Must have some  
effect, surely!

DOWNLOAD

Don't..call...me...Shirley!

This time, Download fired a barrage of lightning attacks at Dragonia. She took cover behind a nearby bookshelf. Things aren't really going according to plan. Her first encounter with a super villain and all Dragonia was doing was hiding.

DRAGONIA

This girl's harder to talk  
to than a French tourist!

DOWNLOAD

Come on out, Dragon Gina and  
let me destroy you!

DRAGONIA

It's Dragonia! I took the  
time to learn your name, the  
least you can do is learn mine!

DOWNLOAD

Whatever!

DRAGONIA

Mmm. Her powers seemed to  
be based around around her  
minds and emotions. Maybe  
if I keep insulting her, it  
might tire her out. Worth a  
try. (calling out from her  
hiding place) Hey! Jean Luc  
Picard was a bald old coot!

DOWNLOAD

What did you say?

DRAGONIA

Yeah! That's right! William  
Shatter could have Patrick  
Stewart any day of the week!

DOWNLOAD

You bitch!

She fires more lightning near Dragonia's hiding place.

DRAGONIA

Ha! I knew she was a trekkie!  
(shouting out) Also, Seven  
out of Nine was a lesbian!

Download fires more lightning. This one is so huge that  
it nearly fries Dragonia's hiding place. It's obvious she  
should back away from the insults.

DRAGONIA

(continuing) Ok. It's  
obvious that was a bad idea.  
God, this is harder than I  
thought! What would  
Spiderman do in this  
situation? No on second  
thought that's no good. I  
gotta think of a way to  
defeat this electro freak.

She looks around for a weapon to use against Download. She  
notices a load of books lying around.

DRAGONIA

I have an idea!

DOWNLOAD

Where are you, Dragon Bint?"

Download called out. Come  
out and let me destroy you!

I have other plans and  
cannot waste my time with you!

Dragonia emerged from behind the book shelf. She was carrying a load of books in her hand.

DRAGONIA

The name's Dragonia!

DOWNLOAD

Ah! Are you ready to die?

DRAGONIA

On the contrary, I'm here  
to give you a little bed  
time reading!

Dragonia throws the books at Download. Download is taken by surprise and uses her lightning attack to destroy them. However, she is caught off guard and this gives Dragonia the opening she needs.

DRAGONIA

"Ok! If I remember correctly,  
dad also said this amulet  
had the soul of a Dragonia  
who fired lightning. I think  
that will do here. Time to  
fight fire with fire! Or in  
this case, lightning with  
lightning!

Dragonia takes in a deep breath, ready to give the final blow (so to speak!) She blows out a blast of her own lightning attack. It hits Download on the head and she was fried. Her skin is blackened and smoke comes out of her. She gives a minor grunt and then falls backwards.

Dragonia slowly walks up to Download and puts her foot on

her chest.

DRAGONIA (VO)

(continuing) Ok. Time to  
say something witty!

DRAGONIA

(continuing) Download  
canceled!

DRAGONIA (VO)

(continuing) That'll do!

The students emerge from their hiding places. At first they aren't too sure what to think of Dragonia. But when they realise that she has saved them from this psycho woman, they cheer and clap. They all run over to congratulate her.

LIBERIAN

(a hint of a tear in her eye)

We don't know who you are,  
but thank you! Thank you so  
much!

Dragonia stands there, lapping up all this attention. As it happened, she really enjoys it. Maybe this super hero thing would work out for her after all!

Maybe the people of Panbury will accept her as a hero, maybe they won't. But judging by the reaction of this crowd, Dragonia has the feeling that they will make her feel welcome, so long as she keeps them safe.

As she stands there, listening to the cheers of the people around her, one thing goes through her mind.

DRAGONIA (VO)

Phew, thank god that's over!
